PRADHAN MANTRI JAN VIKAS KARYAKRAM (PMJVK)

MINUTES OF THE 31ST MEETING OF EMPOWERED COMMITTEE (EC) ON PMJVK HELD ON 19TH FEBRUARY, 2021 TO CONSIDER PROPOSALS RECEIVED FROM THE STATES OF BIHAR, MAHARASHTRA, ARUNACHAL PRADESH, HARYANA, TRIPURA AND CENTRAL ORGANISATIONS (KENDRIYA VIDAYALAYA SANGATHAN AND NAVODAYA VIDYALAYA SAMITI).

The 31st meeting of the Empowered Committee (EC) on PMJVK was held on 19.02.2021 to consider the project proposals of Minority Concentration Areas of the States of Bihar, Haryana, Tripura, Maharashtra, Arunachal Pradesh and Central Orgnisations (Kendriya Vidayalaya Sangathan and Novodaya Vidyalaya Samiti).

2. The Joint Secretary & Financial Advisor, Ministry of Minority Affairs was present in the meeting.

3. The representative Ministry of Education, Department of School Education & Literacy (Shri V.K. Verma, Deputy Secretary); Director (Shri Subhash Chand), Department of Higher Education; Director (Dr. Harmeet Singh), Ministry of Women & Child Development attended the meeting through video conferencing. The Department of Expenditure was represented by JS&FA, MoMA.

4. The meeting was also attended by Director General (Sh. Vikas Yadav), Rural Development Department, Government of Haryana; Jt. Commissioner (Shri G. Arumugam), Navodaya Vidyalaya Samiti; Additional Commissioner (Dr.(Smt) V. Vijayalakshmi) alonwith Deputy Commissioner (Ms. Indu Kaushik), Kendriya Vidyalaya Sangathan; Secretary, Government of Tripura; Secretary (Dr. Safeena AN) along with Assistant Director (Shri Ibrar Khan), Govt. of Bihar; Deputy Secretary (Shri Dinesh Sonavane) Govt. of Maharashtra; and Secretary (Ms. Niharika Rai), Government of Arunachal Pradesh also attended the meeting through Video Conferencing. The representatives from districts of Parbhani, Nanded, Buldana, Amravati and Darbhanga were also present in the meeting through virtual mode.

5 At the outset, Chairman of the Empowered Committee welcomed all the members and the State representatives. After a brief introduction of the members, Joint Secretary

(PMJVK) briefed the Committee about the aims and objectives of the scheme and observed that the following should be adhered to by all the stakeholders while implementing the PMJVK scheme:-

i. **Thrust Areas of the Karyakram:-** Under PMJVK at least 80% of the resources should be allocated for projects related to education, health and skill development, of which at least 33-40% should be specifically allocated for women/girls centric projects.

ii. **Adhering to guidelines and eliminating duplication:** States should ensure that the proposals have the approval of the State Level Committee of PMs 15 Point Programme and Mission Director of Centrally Sponsored Schemes concerned in order to ensure that the proposals are as per the specifications/ norms/standards set by the line Ministries/Departments concerned and that any duplication is ruled out. The responsibility for eliminating duplication in terms of work and funding vests with the concerned district authority and the State Government. The States were advised by the Empowered Committee to ensure that the catchment area of the assets created under PMJVK have substantial minority population. Further the States should also ensure that the assets proposed are located in the identified Minority Concentration Areas and are owned & managed by Govt/Govt body.

iii. **Review meetings of Oversight Committee in the State, and District Level Committees:** The scheme of PMJVK envisages quarterly review meetings by the State and District Level Committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the review committees for PMJVK. The participants were advised that the quarterly review meetings of State Level Committee/State Oversight Committee and District Level Committee should be held regularly and copy of the meeting notice should be sent to the Ministry to enable a representative from the Ministry also to attend State Level meetings as envisaged under PMJVK. It should be ensured without fail, that Members of Parliament nominated in such Committees are invited to attend the meetings. The nomination of MPs to the State Level Committees has already been done by the Ministry.

iv. **Sample testing and quality control:** Quality control is to be ensured through regular and frequent field visits and by testing samples of the construction work for which funds would be sanctioned by the Ministry as part of the project estimate on receipt of request from the State concerned. All the States were advised to carry out field visits, quality control tests and review all works under MsDP/PMJVK to ensure that there are no shortcomings in the execution of the works under PMJVK.

v. **Centrally Sponsored Scheme (CSS) guidelines of other Ministries:** There would be no change in the guidelines of any existing Centrally Sponsored Scheme (CSS) for implementation in MCAs under PMJVK. Whenever projects under a Centrally Sponsored Scheme are sanctioned under PMJVK, it shall be ensured by the Ministry of Minority Affairs as well as the State Govt. that the

Ministry/Department concerned in the Centre and State are informed so that the number of units taken up are accounted in the physical register of the Ministry concerned, and are also inspected by their officials wherever physical inspections are carried out in the State.

vi. **Timely release of PMJVK funds:** The State should ensure that Central funds received for projects under PMJVK, are released immediately to the implementing agencies along with matching State share. Parking of PMJVK funds at any level is strictly prohibited. States should also ensure that provisions are made in the State Budget for the amount of State Share. Subsequent instalments of Central share for the projects may be sought by the State Govt on submission of requisite documents to the Ministry as per guidelines of PMJVK.

vii. **Late starting/late implementation of PMJVK projects make them liable for cancellation:-** The States should ensure that projects approved by the Ministry under PMJVK are started and completed within the prescribed time lines.

viii. **Extension of time for completion of projects:-** The States should inform the Ministry regarding all such projects which are falling behind completion schedule and seek extension of time for completion/re-scheduling of completion date.

ix. **Timely Submission of Reports:-** The State Governments are requested to submit reports on the progress of each project at the end of the quarter in the proforma of Quarterly Progress Report (QPR) prescribed for this purpose. **Signed copy of the QPRs should reach the Additional/Joint Secretary of the Ministry of Minority Affairs within 15 days at the end of the quarter under report.**

x. **Facilities for "Divyang Jan"** - The Empowered Committee reiterated the provision laid down in Para No.9.12 of PMJVK guidelines stating that the infrastructure constructed under PMJVK should be barrier-free and accessible to persons with disability and should follow the guidelines and space standards of Barrier-Free Built Environment for persons with disability and elderly persons as published by CPWD. The States were requested to follow the provisions as per Accessible India Campaign or Sugamya Bharat Abhiyan in the designing of buildings, approved under PMJVK.

xi. **Provision for Rain Water Harvesting:-** It is mandatory that all big projects constructed under PMJVK like Schools/College Buildings, ITIs, Polytechnics, Sadhbav Mandaps, CSCs etc, should have provision for rain water harvesting.

xii. **The States shall ensure observance of laid down procedures as per State policy and GFR in all public procurement and there should be no deviation from the rules under any circumstances. The States should ensure greater efficiency, economy, transparency in public procurement matters and observe fair and equitable treatment of suppliers and promotion of competition in public procurement.**

xiii. **Public Functions**:- The State/UT will ensure that the Member of Parliament and State Legislature concerned are invariably invited for the function as per the established procedure/protocols of the Government.

6. The Committee observed that as per Para 11.1.3 of the guidelines of PMJVK, it is the responsibility of the "State Level Committee on PM's New 15 Point Programme (SLC)" of the respective State(s) to ensure that the projects recommended conform to the objectives and guidelines of PMJVK. The SLC should confirm regarding reasonability of cost and requirement of the project and the estimates should be prepared as per the State SOR.

7. With regard to the release of funds to the States, it was emphasized that the present status of approved projects along with time-lines for their completion be sent by the State(s) to the Ministry at the earliest.

8. The States were informed that all projects approved by the Ministry should be geo-tagged. While submitting proposals on the PMJVK portal, States are required to submit three photographs for each project. The first photograph should show the land identified for construction, the second photograph should be taken during mid-construction stage, and third should be of the completed building. The Chairman further desired that at the time of release of subsequent instalments, construction photographs should be provided by the States to the Ministry, and States should also try to get these photographs geo tagged.

9. With the permission of Chair, the Joint Secretary, PMJVK outlined the challenges put by COVID-19 pandemic over the implementation process of the scheme at ground level. She informed the Committee and representatives of the States that in the present scenario, it is expected that the States/UTs and other implementing agencies utilize the resources available under the scheme to its optimum. Funding requirements for all projects approved under PMJVK will be met out so that there is minimum disruption in the implementation of sanctioned projects. However, at the same time the Ministry has to exercise greater financial discipline and control over the expenditure under the schemes and has to confirm before releasing funds to the States that they have the capacity to actually spend from the previous year releases. Further, it was added that the States shall ensure that no parking of funds takes place at any level under the PMJVK Scheme.

10. The details of the projects considered by the EC are as under:-

A. KENDRIYA VIDYALAYA SANGATHAN

The Kendriya Vidyalaya Sangathan has submitted letter No F.11-EDP0eITI/1/2020-EDP Solution dated 12.06.2020 under the signature of Commissioner, KVS, New Delhi for implementation of E-Learning solution in 238 Kendriya Vidyalayas in Minority Concentration Districts under PMJVK for a total cost of Rs. 8061.90 lakh (@ Rs. 3.49 lakh per unit for 2310 classrooms).

2. The proposal was considered by the Screening Committee in its 26th meeting dated 14.07.2020. Considering the approval already accorded by the Ministry for installation of Computer labs to KVS during 2019-20, the SC observed that, before moving further, it is necessary to reassess the project and also confirm the availability of contents for education. The SC directed KVS to clarify on the observation and submit the proposal through the Ministry of Human Resources.

3. **Now, this Ministry is in receipt of letter No 7-32/2020-UT-2 dated 23rd December, from Department of School Education & Literacy, Ministry of Education**, conveying approval of Hon'ble Shiksha Mantri for the proposal.

4. It has been informed by KVS that the proposal is in line with ICT @ School scheme of the **Ministry of Education**, Govt. of India and will bring following benefits to the Kendriya Vidyalayas:-

a. Transform the teaching-learning process as it provides an upgraded classroom solution.
b. Invoke interest in education among the students by introducing them to real time e-learning with the help of audios and videos, multimedia, images, online web conferences, presentations, 2D & 3D animations, etc.
c. Using a wide variety of Educational Applications students can access information from a wide range of educational applications which can be run in classroom environment.
d. Cloud based language learning software, an online solution for pronunciation practice with no installation or download needed. Students can listen to authentic speech models, read any texts or words that have been selected and record their own voice for comparison and receive immediate feedback accessible and available**(deleted as per submission of representative of KV before SC).**

5. As per the details submitted by the Kendriya Vidyalaya Sangathan, the project will have following components:-

SPECIFICATION			
S.No	IT Hardware	Quantity per Classrooms	Price per classroom
1	Interactive tablet (12.9")with Stylus and Streaming device	01	3,49,000
2	Multimedia projector with ceiling mount kit and cage	01	

3	School manager, Mobile Device Management (MDM),and Learning Management System(LMS)	01	
4	Native Apps: Books, Mail, Calendar, Notes, Pages, Numbers and Keynotes	01	
5	Installation, Commissioning, Handholding and User Training of the System	01	
	Total Class Rooms proposed		2310
	Total values of project		Rs. 8061.90 lakh

6. As per guidelines of PMJVK (Para 6.3), the Central Government Departments, CPSE, Undertakings, Central Universities, Armed Police Forces may also submit their proposal for implementation of projects in the identified backward Minority Concentration Areas.

7. As per Para No.12.3 of guidelines, the projects submitted by Central Government Ministries or their organisations may be supported fully (100%) under PMJVK or in the ratio proposed by them. In the present case the KVS has sought 100% funding by the Central Govt. The release of installment would be as per the pattern for innovative projects i.e. in three installments of 30%, 30% and 40%.

8. As per the observations of SC, the Ministry requested KVS to submit confirmation about availability of content for education vide letter dated 19.01.2021. The KVS vide their Letter No. F.11-EDP0eITI/1/2020-EDP Section dated 21.01.2021 has submitted the following:-

a. KVS confirmed the availability of contents for the proposed e-learning solution through DIKSHA portal and Swayam Prabha Channel in which around 38500 teachers and 8 lakh students are registered.
b. The Ministry of Education has approved the proposal.
c. Letter for commencement of delivery and installation of inspected material/equipment for previous project approved under PMJVK has been issued.

9. The Screening Committee while considering the project observed that the State/UT/Central Organization should ensure observance of laid down procedures as per State policy and GFR in all public procurement and that there should be no deviation from the rules under any circumstances. The authority should ensure greater efficiency, economy, and transparency in public procurement matters and observe fair and equitable treatment of suppliers and promotion of competition in public procurement.

Considering the recommendation and approval of the MoE, the SC recommended the project for consideration of EC.

In the EC meeting, the project was discussed at length with the Jt. Commissioner of KVS (Ms. Vijayalakshmi) & Deputy Commissioner of KVS (Ms. Indu Kaushik). It was informed to the Committee that KVS is already having Smart Class facility in

5003 such class rooms in their schools. With regard to the components of the project, it was informed that in the present project interactive tablet with Stylus and streaming device are proposed. This will enable mobility of the teacher within the class and will be very convenient as compared to other model in which Desktop computers are attached with the device. The JS&FA opined that a report may be sought about the Smart Classroom project once these are operationalised.

The EC agreed to the project.

10. The Empowered Committee approved the project and approved release of 1st installment (in Rs. lakh) of Central Share (upto 30%) to the KVS in the following manner:-

Sl.No	STATE	District	MCAs	Project Type	Project details	Unit	Unit Cost	Sharing ratio	Central Share	KVS share	Total Cost	1st installment of Central Share

B. MAHARASHTRA

The State Govt. of Maharashtra vide their letter No. MDD-2020/CR.03/Desk7 dated 23.12.2020, MDD-2020/CR.19/Desk-7 dated 13.10.2020, MDD-2020/CR.03/59/Desk-7 dated 05.01.2020 have submitted project proposal for the MCAs of the State under PMJVK. The total value of the projects submitted by the State Govt. is Rs.6741.86 lakh.

2. The projects are mainly related to education and health sectors. Some of the proposals were considered by the Screening Committee/Empowered Committee but could not be approved for want of clarification/information. The State has furnished declaration in the Appendix-II with some modification in the format.

3. The details of the project submitted for consideration of Screening Committee are as under:-

(a) **Anganwadi Centers (AWCs):** The State Govt. has proposed for construction of 53 AWCs at the unit cost of Rs. 8.5 lakh. The units proposed are located in Nanded MCA (14 units) and Ardhapur MCA of Nanded district (01 unit); Amravati MCA of Amravati district (10 units); Buldana MCA (05 units), Chickhli MCA (08 units), Khamgaon MCA of Buldana District (14 units). One unit proposed at Shirala Centre under Amravati district does not indicate the name of the MCA.

The proposal is found with a sample copy of estimate as per the ICDS norms for Anganwadi Building. As per the estimate, the building will be RCC framed structure with plinth area of 64.7 SqM. Plinth area rate has been worked out to Rs.13130 per Sqm. The basic cost of construction has been indicated as Rs. 7.4 lakh and over this amount SQM Charges (1%), Labour Insurance (1%), Contingency (.5% approx) and 10% Royalty and 12% GST have been imposed.

The cost details have been examined and it is found that the estimate does not include provisions for Internal Electrical Installation, Water & Toilet facility.

The State confirmed to the Screening Committee that the proposed AWC have been approved under the ICDS programme of the Ministry of Women & Child Development. The SC desired that the comments of MoWCD may be obtained on the proposal. The SC also requested the State to submit their remarks on the observation of the division for non-inclusion of provision for Internal Electrical Installation & water supply in the estimates.

The SC recommended the project subject to comments of MoWCD.

The EC discussed the project with the Director of Ministry of Women & Child Development Dr. Harmeet Singh. It was informed by the representative of MoWCD that at present there are over 4 lakh AWCs functioning from rented building in the country. It was added by the representative of MoWCD that the Ministry welcomes funds for construction of AWC from all sources but informed that it would be difficult to furnish comments on each & individual AWC proposal. The representative of MoWCD was of the view that there is a nodal officer of State WCD Department in every state and MoMA may consult the nodal officer for comments. The Chair desired that the MoWCD being the nodal Ministry for AWCs should be in a position to provide specific comments as to whether the AWCs are required in the State and whether the same are as per the norms of the nodal Ministry. The Chair desired that the MoWCD may consult the nodal officers of the State and furnish specific comments on the

proposal of the State. Considering the observation of the Chair, the representative of MoWCD assured the Committee that they will consult the State on these projects and submit their input to the Ministry.

The EC deferred the project for consideration in the next EC meeting.

b. **Implementation of Smart Classes:-** The State has submitted proposal for implementation of 1584 Smart Classes for 792 Schools. It has been observed that 791 Schools are located in the MCAs of PMJVK. It has been informed that the project has been considered by State Level Committee in its meeting held on 15.12.2020 and has been recommended at the total cost of Rs. 4034.448 lakh. The unit cost of the project is Rs. 2.54 lakh and the equipment proposed will consist **of hardware, power backup and e-contents as per the syllabus of Maharashtra State Board, etc.** The contents will be bilingual (i.e English & Marathi). The project also includes training of the teachers and an all in one device with white board.

The State furnished UDISE code of the Schools where the infrastructure has been proposed and the same was shared with MIS-MoE for input. **The MIS-MoE found 740 Government Schools eligible for projects.**

The SC recommended the project. However, the State will need to strictly follow the GFR of the State Government Rules which ever are applicable for procurement of the proposed equipment.

The EC agreed to the project with the condition that the State will furnish a report after commissioning/operationalisation of the project.

c. **Sadbhav Mandaps:** The State Govt. has proposed to construct 02 units of Sadbhav Mandaps @ Rs. 234.00 lakh each for Waghal City Municipal area and Nanded Block of Nanded district.

It is informed that the EC in the previous meetings has approved 3 units of Common Service Centres at unit cost of Rs. 140 lakh and Ministry has sanctioned 2 units of Sadbav Mandaps for the MCAs of Prabhani & Hingoli of Maharashtra during 2018-19.

The SC opined that instead of Sadhbav Mandaps, the State may consider constructing Common Service Centres. However, the Municipal Commissioner of Nanded district endorsed the project and informed the Committee that based on the requirement of the MCA, the Sadbhav Mandaps of Type-2 format was proposed.

It was informed to the Committee that the Ministry during 2018-19, in pursuance of provision of Para 11.1.3.(iv) of guidelines on PMJVK had suggested two templates along with cost norms for Sadbhav Mandaps. The templates were shared with the States vide letter dated 26.10.2018. The features of these two templates are as under:-

S.No.	Type	Area	Capacity	Provision	Cost
					In Rs. lakh
1	Type-I	150 SQM	200 PAX	Stage, Room, Office, Storage, kitchen, Dining, Toilets, water tank, landscaping, boundary Wall, furniture etc.	146
2	Type-II	234 SQM	300 PAX		234

The implementation status of projects for Sadbhav Mandaps approved earlier by the Ministry was reviewed by the SC. It was informed to the SC that the projects are under construction and the State has recently released 2nd instalment for the unit being constructed at MCA of Hingoli.

The SC opined that the project for construction of 2 new Sadbhav Mandaps may be submitted before the EC for a decision.

Considering the position of fund availability during the current financial year & priority of the scheme, the EC deferred the project.

d. **Construction of Operation Theatre:** The State Government has proposed to construct one Operation Theatre Complex in the premises of Civil Hospital in Parbhani @ Rs.1800 lakh.

The proposal was considered by the Empowered Committee in its 28th meeting held on 24.08.2020 but the same was not agreed to based on the comments of MoH&FW that there is no scope for additional man power under NHM for the project.

However, the State has revised the proposal with cost of Rs. 1275 lakh and submitted again vide letter No. MDD-2020/CR.19/Desk-7 dated 13.10.2020. The same was shared with MoH&FW vide OM No. MsDP-13/50/2020-MsDP-MOMA dated 22.10.2020.

The Ministry of Health & Family Welfare vide their OM NO. 7(15)/2020-NHM-1 dated 22.12.2020 has recommended the project for construction of the Operation Theatre in the premises of Civil Hospital Prabhani at the cost of Rs.1 275 lakh. The project has been further examined by the Technical Consultant, PMJVK and the cost has been restricted to Rs.1148.80 lakh due to the following:-

(i) GST restricted to 12% instead of 18%.

(ii) Cost of Medical Gas pipe restricted to CPWD norms of Rs.60,000 per bed.

The SC recommended the project as per inputs of MoH&FW.

The EC approved to the project.

e. **Study Centre:-** The State Government has proposed to construct Study Centre in Municipal Council School at Jalna MCA of Jalna district at the unit cost of Rs.150 lakh, which includes Rs. 21.78 lakh towards furniture items (Rs. 21.78 lakh).

The project has been approved by the State Level Committee in its meeting held on 25.02.2020. The proposed structure will be a G+1 building with 500 SQM built up area. The project was considered by the Screening Committee in its 27th meeting held on 17.08.2020 and in the meeting the district representative of Jalna informed that the project is situated adjacent to the Municipal School and will be run & managed by the Nagar Palika, Jalna. The Study Centre is proposed to be used by children preparing for various Competitive Examinations for self study. However, the drawings were found to be very sketchy with no details. The SC deferred the project and opined that the State may submit a brief on the project with justification on the requirement.

The State vide email has submitted description on the project indicating the following and requested for reconsideration of project:-

(ii) Jalna city is having around 50% population from Minority Communities.
(iii) The asset will provide quiet and educational environment for self study
(iv) Books & other material will be provided free of cost in the study centre.
(v) It will be managed by Municipal Council of Jalna.
(vi) The estimate is provisional and after getting the approval, the actual work will be started only after preparing the budget and getting the technical and administrative approval.

Considering the position of availability of funds during the current financial year & priority of the scheme, the EC deferred the project.

f. **Surrender of projects approved in 28th EC:-** The Empowered Committee in its 28th EC approved 07 projects for construction of Health Sub-Centre at the unit cost of Rs. 66.52 lakh. The approval was based on the proposal of the State and recommendation of MoH&FW. First instalment of Rs. 59.868 lakh as Central Share was released to the State for implementation of the project.

The State vide their letter No. MDD-2020/CR.19/Desk-7 dated 10.11.2020 had informed that three HSCs have been cancelled as the same have been approved under some other scheme. The cancelled projects are for Nanded MCA of Nanded district, Morshi MCA of Amravati district and Jamb (Buldana) MCA of Buldana district. The amount released by the Ministry for these three projects is Rs.59.868 lakh.

The State vide their D.O No. MDD-2014/CR-49/Desk-7 dated 04.01.2021 has now informed that out of 07 project, the State is now proposing for dropping only 2 units. The State is also considering for submission of alternate projects for these two units. The total amount available as 1st installment of Central Share with the State against dropped projects is Rs.39.912 lakh.

The SC opined that this may be placed before the EC as 1st installment of Central Share for a decision.

The EC observed that the funds for 2 units of Health Sub-centres, which has already been released and meanwhile now being proposed for dropping by the State due to approval of the same under other schemes of the Government. The EC requested that the State may consider the alternate funding for the Health Sub Centre in other 2 locations, and the Health Sub-Centre in MCA may be funded through PMJVK only as per earlier approval. The State may revert back in the matter.

10. The Empowered Committee approved the projects listed below and the release of 1st installment (in Rs. lakh) of Central Share (upto 50% & 30% in case of innovative projects) to the State in the following manner:-

S.No.	District Name	Blocks/ Town Name	UDISE Code	Project type	Project details	Unit	Sharing ratio	Unit cost	Central Share	State Share	Total Cost	1st installment to be released.

C. HARYANA

The Govt of Haryana, vide their letter no PMJVK-2020/12102 dated 30.12.2020 has submitted the following proposals for a total cost of Rs. 4848.08 lakhs:

2. The State has submitted Appendix-II under the signature of Secretary, Rural Development Department, Govt. of Haryana. The proposal was approved by the State Level Committee in its meeting held on 27.11.2020. Copy of the minutes has also been received.

3. The proposal of the State for which details have been received is briefly described below:-

a. **Construction of AWCs:** The State has submitted proposal to construct 40 AWCs in 7 districts at Rs. 10 lakh per unit. The detailed cost estimate and drawings have been received and is forwarded to Ministry of Women and Child for their comments. The rates are as per State SOR and each item has been updated with premium cost estimate of State SOR. The provision for Internal Electrical Installation & water supply has not been proposed.

   The cost details submitted by the State have been examined in consultation with technical consultant and the same is found reasonable. It was informed by the State that the proposed building is for accommodating the AWC presently running in the rented building.

   The SC desired that the comments of MoWCD may be obtained on the proposal.

   The SC also requested the State to submit their remarks on the observation of the division for non-inclusion of provision for Internal Electrical Installation & water supply in the estimate for AWCs. The SC opined that the project may be submitted before the EC on receipt of the above desired information and input of MoWCD.

   The EC discussed the project with the representative of Ministry of Women & Child Development. It was informed by the representative of MoWCD that at present there are over 4 lakh AWCs functioning from rented building in the country. It was added by the representative of MoWCD that the Ministry welcomes funds for construction of AWC from all sources but informed that it would be difficult to furnish comments on each & individual AWC proposal. The representative of MoWCD was of the view that there is a nodal officer of State WCD Department in every state and MoMA may consult the nodal officer for comments. The Chair desired that the MoWCD being the nodal Ministry for AWCs should be in a position to provide specific comments as to whether the AWCs are required in the State and whether the same are as per the norms of the nodal Ministry. The Chair desired that the MoWCD may consult the nodal officers of the State and furnish specific comments on the proposal of the State. Considering the observation of the Chair, the representative of MoWCD assured the Committee that they will consult the State on these projects and submit their input to the Ministry.

   The EC deferred the project till receiving of comments from the MoWCD.

b. **Toilets in Schools:** The State has submitted proposal to construct 33 Boys toilets and 21 Girls toilets in Government schools @ Rs. 2 lakh and Rs. 2.30 lakh respectively. The UDISE codes and cost estimate for the project has been received. The Cost of the project was found reasonable by the Technical Consultant (PMJVK).

The SC recommended the project as per the inputs of MIS-MoE.

The MIS-MoE has conveyed that projects for 20 units of boy's toilets & 40 units of girl's toilets are eligible.

The EC agreed to the project.

4. The Empowered Committee approved the projects listed below and the release of 1st installment (in Rs. lakh) of Central Share (upto 50%) to the State in the following manner:-

S.No.	District Name	Blocks/Town Name	UDISE Code	Project type	Project details	Unit	Sharing ratio	Unit cost	Central Share	State Share	Total Cost	1st installment to be released.

26/2/2021

(UDISE-12050208601) and (vi)Double Storey RCC School building for Govt Hr Sec School Koloriang(UDISE-12140400402), at the unit cost of Rs. 500 lakh each.

The project plan for each of the project includes construction of (i) 1 Additional Class Room Building (Academic cum Administrative block), (ii) 1 hostel, (iii) 1 Dining cum Kitchen for girls, (iv) 1 RCC double storey double unit type-III teacher's quarters, (v) 1 RCC Double Storey Double unit Type-II staff quarters and (v) Boundary Wall.

The Academic block will have 5 ACRs for Primary Classes (Class I to V) , 3 ACRs for Upper Primary Classes(VI to VIII), 1 hall as Computer Room, 1 Teacher's Room, 1 Principal Room, 1 Office Room, 1 Examination Room, and 1 Store Room. There will also be a NCC Scout Guide room and 2 blocks each of separate Toilets for Ladies and Gents.

The Double Storey RCC School building for Govt Hr. Sec School Koloriangwill have provision for 12 Class Room, a Teacher Room, a Headmaster Room, an Administrative Block, a laboratory, Store and a Library. There will be Toilets on both the floors. The total plinth area of the building proposed is 1018 SQM. The rate has been prepared on the basis of Plinth Area Rate of CPWD 2019.

It has been mentioned in the project details for Govt. Upper Primary School, Delipiji, that the existing structure was constructed during early inception of the school thereby life of the building is almost over aged and at present semi-permanent building are in deteriorating condition which need immediate replacement. The project has been proposed to revamp the School infrastructure by creating well-furnished infrastructure to cater to all the students of feeder schools from the catchment area.

The State has informed that the in case of (i) Govt. Upper Primary School, Tom, (ii) Govt. Upper Primary School, Jath and (iii)Govt. Middle School, Dem, the School is not functioning at its peak due to dilapidated condition of existing structure as well as shortage of accommodation for teaching and non-teaching staff.

Govt. Sec. School, Joram is one of the oldest Govt. Secondary School under the Yachuli administrative Sub-division Lower Subansiri district established by State in 1962 as Primary School and later upgraded to Secondary School in 1994. The objective of the instant project is for restructuring and upgrading the infrastructure with all modern amenities. Life of the existing building is almost over aged and presently in deteriorating condition which need immediate replacement.

The State vide letter no. DSJE-07/2019-20(PMJVK)/185 dated 29.10.2020 has submitted a Certificate(for project (i) to (v) under the signature of Deputy Director of School Education informing that the infrastructures of the School is in dilapidated condition and unless a new infrastructure of the school is established, the school cannot be run in a proper and smooth way.

Technical inputs:-

The cost details received from State was forwarded to the MoE on 17.09.2020 and the Samgra Shiksha TSG(Consultant Civil) vide their mail dated 18.09.2020 has regarded the cost as reasonable with observation that the cost of Residential Units may be revised. The cost details were further examined by the Technical Consultant of the Ministry and the observation/recommendations is as under:-

(a) Double Storey RCC School Building for Govt. Higher Secondary School, Koloriang, KURUNG KUMEY DISTRICT.

The above estimate has been processed with minor modifications and Preliminary Estimated cost works out as Rs. 4,93,02,000 only as tabulated below:

S.No.	Particulars	Amount in Rs.		Remarks
		State Govt.	After processing	
1	School Building GF + FF	33819000	33819000.00	As proposed by State Govt.
2	Site Development-School Bldg.	2000000	1521855.00	As per PAR 2020@4.5%
3	Compound wall	5000000	5000000.00	As proposed by State Govt.
4	Internal W/S & S/I @8% on 1	2705520	1690950.00	As per PAR 2020@5%
5	External Electrification @ 3.75%on 1	1268213	1268213.00	Proposed as per PAR2020
6	Int. E/I @ 12.5% on 1	4227375	4227375.00	Proposed as per PAR2021
8	Labour cess @ 1 % on 1	338190	338190.00	Proposed as per PAR2022

10	Contingences @ 1% on 9	493583	1435967.00	Considered as per PAR2020 @3%
	Total	49851881	49301550.00	
	say	5,00,00,000.00	4,93,02,000.00	

b. **(i) Govt. Upper Primary School, Delipiji (UDISE-12050200106), (ii) Govt. Upper Primary School, Tom (UDISE-12050210001), (iii) Govt. Upper Primary School, Jath (UDISE-12050203601), (iv) Govt. Sec. School, Joram (UDISE-12050202901), (v) Govt. Middle School, Dem (UDISE-12050208601):-**All

estimates have been reviewed and some minor modifications have been made to maintain uniformity as given below:-

i. The basic rates for all proposed structure have been updated with PAR 2020. The State Govt. has proposed two type or structures viz.; i. RCC framed up to Six Storey of 3.60m storey height; ii. Load bearing up to Four storey of Storey height as 3.6 m. The respective rates have been adopted.
ii. The component of development work has been kept @6%, considering the Site comprising of a few multi-storey building with Semi Compact / scattered buildings, vide note 2.1 of CPWD PAR-2020. The State Govt. has considered as 0 % to 20%.
iii. Contingences @ 3% or 5% for the sub-works costing MORE or LESS than Rs.100.00 lakhs. The State Govt. has not considered this component.
iv. The rate of proposed boundary wall has been considered as per CPWD PAR vide item no. 5.8.1 as "Boundary wall with 1500 mm height from Ground level & 600 mm high MS grill including Steel gates/ wicket gates etc.- Composite Structure.
v. Quality assurance & Labour Cess has been added @1% each (not considered by State Govt.
vi. The administrative & Allied Charges have not been considered.
vii. All PEs have been modified as tabulated below:-

1) Infrastructure development at Govt. Upper Primary School, Delipiji under Yazali Circle, Lower SubansiriDistrict@Rs.450.81 lakh.

2) Infrastructure development at Govt. Upper Primary School, TOM, under PISTANA Circle, Lower SubansiriDistrict@Rs450.81 lakh.

3) Infrastructure development at Govt. Upper Primary School, JATH, under YECHULI Circle, Lower SubansiriDistrict@Rs.450.81 lakh.

4) Infrastructure development at Govt. Sec. School, JORAM, under YECHULI Circle, Lower SubansiriDistrict@Rs.482.58 lakh.

50 Infrastructure development of Community Health Centre, YECHULI Circle, Lower SubansiriDistrict@Rs.468.29 lakh.

6) Infrastructure development at Govt. Middle School, DEM, under PISTANA Circle, Lower SubansiriDistrict@Rs.450.81 lakh.

7) The capacity of the hostels proposed varies School to School. (i) Govt. Upper Primary School, Delipiji will have hostel of 60 bed, (ii) Govt. Upper Primary School, Tom will have hostel of 60 bed (iii) Govt. Upper Primary School, Jath will have hostel of 60 bed (iv) Govt. Sec. School, Joram will have hostel of 40 bed.

The MIS-MoE has informed that out of these 06 Schools, two Schools namely GPS, Deli and GPS, Jath were established in year 2011 whereas GPS, Tom was established in year 2007. Further, the GHSS, Kologriang was established in year

1963 and GSS, Joram was established in year 1962 whereas DMS, Dem was established in year 1978. The details as per UDISE indicate that at present the schools are having infrastructure.

The projects were discussed by the SC with the State representative. It was informed that the GHSS, Koloriang, Kurung Kumeng was established in the year 1963 and it is situated near the international border. This School has around 254 students and no alternate facility other than this school is available for nearby students. The Principle-in charge of the School informed the Committee that this School is now facing shortage of accommodation as 3 out of the 4 buildings and 4 out of 5 hostels are not in good condition.

The project components were discussed by the SC. It was informed to the Committee that all the schools have been proposed with provision for residential facilities for staff. The Chair desired that such facilities may be taken up by the State from alternate resources.

The Secretary, Govt. of Arunachal Pradesh requested the chair to consider the residential facilities as well because all the schools where infrastructure has been proposed are remotely situated. She added that generally the infrastructure can be optimally utilised only when adequate staff are available within the schools.

It was further informed that the State vide (DSJE-07/2019-20(PMJVK)/185 dated 29.10.2020) Certificate of Deputy Director of School Education has informed that the infrastructure of the School is in dilapidated condition and unless new infrastructure is provided, the school cannot be run in a proper way.

The Screening Committee referred to the inputs of MoE particularly those which have not been recommended for infrastructure development. The district representative of Lower Subhansiri informed the Committee that the Schools which were reportedly established in the year 2007 & 2011 were constructed with local material and are bamboo structures. The Secretary, Government of Arunachal Pradesh who is also Secretary Education in the State, supplemented the stand of district officer and informed the Committee that the schools are not in good condition and the infrastructure proposed are need of the hour. Further, on the reference of Chair regarding the Status of the proposed schools in the UDISE data, the Secretary informed that filling of updated information of UDISE is in progress and it will be ensured that the correct position of the school buildings will be updated in the UDISE.

Considering the submission of the State, Screening Committee has recommended the projects subject to the following conditions: -

(a) The State to furnish certificate from State PWD regarding dilapidated condition of the existing structures alongwith photographs of the School buildings.

(b) The State to furnish justification for inclusion of Teachers/Staff quarters in the school buildings and confirmation regarding non-availability of suitable residential facilities for staff in nearby areas.

(c) The State to update UDISE Data with regard to the actual condition of the school buildings.

The State Government in response of observations of Screening Committee has submitted following clarification vide letter no. DSJE-07/2019-20(PMJVK)/476 dated 14.12.2020:-

(a) The State has furnished building fitness certificates from Public Work Department, Govt. of Arunachal Pradesh stating that the existing structure of the schools were constructed with locally available material which is in a dilapidated conditions and at present existing school building is not suitable to the classes properly. The PWD has indicated the urgent requirement of infrastructure for school.

(b) State has justification for inclusion of residential facilities in the School building:-

S.No.	School Name	Justification furnished by State.
1	GUPPS, Delipeji, Lower Subansiri	a. School is situated at remote village which is about 25 Km away from Circle Administrative Headquarter Yazali and about **62** Km away from District Head quarter Ziro. b. There is no accommodation facility at the School for the teaching & non- teaching staffs as well as no rental or other government accommodation is also available at the nearby areas as school is situated at remotely area. c. Due to non-availability of accommodation facility at the school, teachers are compelled to stay at the some individual house for few days or few weeks to teach the children at the classes which are the main hurdles for smooth functioning of school. d. Children are attending their classes by foot marching around 2 to 3 Km from their homes through kutcha footpath/road as because of scattered manner of human settlement in hilly area which is hampering the children to attend their classes especially in rainy season when kutcha road/footpath turned into slippery.
2	Govt. Upper	a. School is situated at remote village called Tom village

	Primary School Tom under Pistana Circle , Lower Subansiri District	under Kugitago Panchayat which is about 25 Km away from Circle Administrative Headquarter Pistana and about **65** Km away from District Head quarter Ziro. b. There is no accommodation facility at the School for the teaching & non-teaching staffs as well as no rental or other government accommodation is also available at the nearby areas as school is situated at remotely area. c. Due to non-availability of accommodation facility at the school, teachers are compelled to stay at the some individual house for few days or few weeks to teach the children at the classes which are the main hurdles for smooth functioning of school. d. Children are attending their classes by foot marching around 2 to 3 km in average from their homes through Kutcha footpath/road because of scattered manner of human settlement in hilly area which is hampering the children to attend their classes especially in rainy season when Kutcha road/footpath turned into slippery.
3	Govt. Upper Primary School jath under Yachuli Circle, Lower Subansiri District	a. School is situated at Jath village which is about 5 Km away from Circle Administrative Headquarter Yachuli and about 32 Km away from District Head quarter Ziro. b. There is no accommodation facility at the School for the teaching & non-teaching staffs as well as no rental or other government accommodation is also available at the nearby areas as school is situated at remotely area. c. Due to non-availability of accommodation facility at the school, teachers are compelled to stay at the some individual house for few days or few weeks to teach the children at the classes which are the main hurdles for smooth functioning of school. d. Children are attending their classes by foot marching around 2 to 3 km in average from their homes through Kutcha footpath/road because of scattered manner of human settlement in hilly area which is hampering the children to attend their classes especially in rainy season when Kutcha road/footpath turned into slippery.
4	Govt. Secondary School Joram under Yachuli Circle, Lower Subansiri District	a. School is situated at Joram village which is about 15 Km away from Circle Administrative Headquarter Yachuli and about 22 Km away from District Head quarter Ziro. b. There is no accommodation facility at the School for the teaching & non-teaching staffs as well as no rental or other government accommodation is also available at the nearby areas as school is situated at remotely area. c. Due to non-availability of accommodation facility at the school, teachers are compelled to stay at the some

		individual house for few days or few weeks to teach the children at the classes which are the main hurdles for smooth functioning of school. d. Children are attending their classes by foot marching around 2 to 3 km in average from their homes through Kutcha footpath/road because of scattered manner of human settlement in hilly area which is hampering the children to attend their classes especially in rainy season when Kutcha road/footpath turned into slippery.
5	Govt. Middle School Dem under Pistana Circle, Lower Subansiri District	a. School is situated at Dem village which is about 22 Km away from Circle Administrative Headquarter Pistana and about 42 Km away from District Head quarter Ziro. b. There is no accommodation facility at the School for the teaching & non-teaching staffs as well as no rental or other government accommodation is also available at the nearby areas as school is situated at remotely area. c. Due to non-availability of accommodation facility at the school, teachers are compelled to stay at the some individual house for few days or few weeks to teach the children at the classes which are the main hurdles for smooth functioning of school. d. Children are attending their classes by foot marching around 2 to 3 km in average from their homes through Kutcha footpath/road because of scattered manner of human settlement in hilly area which is hampering the children to attend their classes especially in rainy season when Kutcha road/footpath turned into slippery.

With respect to proposal of the State for construction of double storey building for GHSS Koloriang, the state has submitted that the School building consist of four blocks. Out of these 04 blocks, three blocks are timber frame houses and one is RCC structure.

The timber structures are in dilapidated condition and their life span is also over. These houses were constructed in year 1960s & 1970s and were maintained by Education Department & PWD.

Due to lack of space the schools are not able to function. Since this school is the lone institution providing Senior Secondary Education to the Children of four CD block situated near geographical area bordering McMohon line with Tibet & China, it is of paramount importance that the school should be upgraded and strengthen with up-to-date educational facilities.

The State has furnished photographs of the schools indicating the status of infrastructure available.

The EC discussed the project with State representative. It was informed to the Committee that the State is in process to updating the status of the school buildings in the UDISE data base.

The EC expressed its concerned over the delay in updation of UDISE data base in respect of above schools and directed the State to expedite the same so that the proposals can be considered by the EC.

The EC deferred the projects till necessary action is completed by the State for updating the condition of school building on UDISE.

b) **Health Projects:** The State has submitted proposal to develop Community Health Centre in Yachuli, Lower Subhansiriand Kanubari, Longding at the unit cost of Rs. 500 lakhs and Rs. 756.30 lakhs respectively. These projects were previously considered by 25th SC & EC but could not be approved for want of project details from the State. The details from the State has been received and shared with Ministry of Health & FW (vide OM No. 13/62/2020-MsDP dated 20.10.2020 & 21.10.2020)

The project cost is based on CPWD, 2019 and the State has submitted certificates for following: -

That the quantity of material like Earth, River Boulders, Shingles and aggregate required for construction of projects are available in the quarries situated at an average distance of 20 KM.

That the rates adopted against each items of work to assess the cost of the project are based on CPWD Plinth Area Rate 2019.

That the projects have not been taken up so far and not proposed from any sources of funding either from State or Central funds. The proposed project is therefore new by itself.

Brief of the project is as under: -

i. **PHC in Yachuli, Lower Subhansiri:-**It has been mentioned in the project details that the PHC is located at Yachuli town at an approximate distance of 25 KM from the district headquarters and 85 km from the State capital. The population of the Yachuli is around 3550. The project intends to develop infrastructure at PHC to cater the needs of the people as the existing infrastructure is not sufficient to accommodate the staff thereby the staff staying at rented house. The project plan comprises construction of 4 unit of

Type-II quarter (G+1) and 2 unit of Type-III quarter (G+1), boundary wall and internal CC pavement road.

The State vide letter no. DSJE-07/2019-20(PMJVK)/185 dated 29.10.2020 has submitted a Certificate under the signature of District Medical Officer that the infrastructure of the PHC, Yachuli under Ziro-II block is in a dilapidated condition and new building is urgently needed for smooth functioning of centre.

ii. **Infrastructure of Community Health Centre in Kanubari, Longding:** The State has submitted that the PHC Kanubari was incepted in the year 1955 under NEFA and later upgraded to CHC during 2014-15.

The project report says that the CHC Kanubari is running in old PHC SPT Building which is very old, outlived designed live and dilapidated with insufficient manpower and modern facilities. It has been mentioned that as per IPHS, the CHC should have minimum standard facilities to provide referral health care for cases from the PHC and for cases of Specialist care approaching the centre directly and it should have 30 bedded hospital with one OT, Labour Room, X-Ray, EGC and Laboratory facility. The instant estimate is framed to facilitate smooth functioning of CHC

The State has also submitted photos of the CHC alongwith non-duplicity and land availability certificates.

The proposed projects consist of a RCC framed double storied building, boundary wall, gate and site development. The cost of civil construction is Rs. 631.31 lakhs. The State has added 15% over APSR 2018 @ 7.5% per annum for two years, 1% labour charge, 1% contingency and 2.5% Architecture consultation fee for building and landscaping.

The DPRs for both the projects have been received and sent to M/o Health & family Welfare for their comments/input.

The Screening Committee observed that the project details have already been shared by the Division with the MoH&FW. The projects were recommended subject to the comments of MoH&FW.

The Ministry of Health & Family Welfare vide their OM No. 7(15)/2020-NHM-1 dated 28.12.2020(email dated 28.012.2020) for construction of CHC in Yachuli, Lower Subhasiri@Rs.500 lakh & for CHC at Kanurari Building@Rs.756.50 lakh provided their comments that the MoH&FW recommends proposals only for construction of new building for existing building for CHC/PHC or if the existing building of CHC/PHC are in

dilapidated condition(to be confirmed by the State). Further, MoH&FW commented that the construction cost as per the MoH&FW norms is for PHC day care@Rs.66.75 lakh, PHS(24X7)@Rs.167.4 lakh & CHC(30 bedded)@451.92 lakh.

The EC, accordingly pended the project for seeking confirmation from the State about the CHC at Longding also being dilapidated.

c. **Water Supply at Taib Village, Ziro, Lower Subhansiri:** The project was placed before the 25th EC but was deferred for want of details of the project. State has now submitted the project details for water supply at Taib Village, Ziro, Lower Subhansiri for Rs.500 lakh.

The project location is at a distance of 62 kms from the District HQ and 175 km from State Capital. The main objective of the project is to construct a multi-utility headwork at source so that the water supply can be used for the purpose of irrigation and domestic use, as there is shortage of water for irrigation and drinking water.

The estimate has provision for (i) Providing & Laying of piped drinking water, (ii) Sedimentation tank/Storage Tank, and (iii) Intake point Tank. The estimate of works is based on APSR-2018 and as per CPWD specification. The project details also contains certificates from State authorities for (a) Non-Duplicity and (b) Cost Index-2018.

The DPR has been received and forwarded to Department of Drinking Water for their comments/input (OM No.13/62/2020-MsDP dated 20.10.2020).

The State vide letter No. DSJE-07/2019-20(PMJVK)/185 dated 29.10.2020 has submitted a Certificate under the signature of Executive Engineer, Water Resource Division that Water Supply at Taib Village was constructed long back and it is in a dilapidated condition. The intake and source tank were completely washed away in last rainy season. The supply pipe are rusted and decaying which is leading to disruption of water supply at household level.

The Ministry of Jal Shakti has conveyed their preliminary comments on the project for clarification by the State vide OM No.W-11042/33/2017-Water.II Part. (1) dated 29.10.2020. The same was shared with the State for their inputs. The inputs received from the State were once again shared with the MoJS. In the final comments received from the MoJS vide letter No. W-11042/33/2017-Water-II-Part(1) dated 6.11.2020 the project has been recommended for consideration subject to standard conditions.

The Screening Committee recommended the project for consideration of the EC as per the inputs of MoJS.

The EC agreed to the project subject to the condition that the State will ensure fulfillment of the points raised by Ministry of Jal Shakti vide letter no. W-11042/33/2017-Water-II-Part(1) dated 6.11.2020 (copy enclosed as Annexure-I) and commitment given by the State vide letter No. EE/PHED/Sch/2019-20/294 dated 11.12.2020.

4. The Empowered Committee approved the projects listed below and the release of 1st installment (in Rs. lakh) of Central Share (upto 50%) to the State in the following manner:-

Sl.No	District	MCA	Project Type	Name of project	Sharing Ratio	No. of units	Unit cost	Central Share	State Share	Total Cost	1st instalment to be released
1	Lower Subansiri	Ziro-II	DWS	Drinking Water Supply at Taib Village	90/10	1	500	450	50	500	225
				Total				**450**	**50**	**500**	**225**

E. TRIPURA

The State Govt. of Tripura vide letter No. 3-14/MW/PMJVK/2019-20/2771-73 dated 30th November, 2020, has submitted a proposal to reconsider projects deferred by the Empowered Committee in its 27th meeting held on 24th July, 2020. Further, the State vide letter No 3(13)/MW/MsDP/2014/2173-78 dated 06.10.2020 has also submitted alternate proposals for 4 projects approved during 2015-16 and 2016-17 citing non-availability of clear sites for the earlier approved projects. The synopsis of the proposals is as under:-

a. **Hostels:-** The proposal envisages construction of one 100 bedded boys hostel (Rs. 348.15 lakh) and four 50 bedded girls hostels (unit cost Rs. 225.70 lakh). The projects were considered by the Empowered Committee in its 27th EC meeting held on 24th July, 2020 but the same were deferred with the observation that the cost of the projects are on a higher side.

It was observed that the State submitted that the cost of the projects are based on Tripura Schedule of Rate (SoR), 2020 which is higher as compared to the rest of the mainland as transportation cost is higher in the North East. The State has referred the approval accorded by 29th EC held on 21st September, 2020 for MCA of Mizoram at Rs. 282.80 lakhs for 50 bedded hostel and regarded the

same to be on a higher side as compared to the cost proposed by them (i.e. Rs. 225.70 lakhs).

Based on the submission of State, the Ministry vide letter No 13/42/2020 dated 04.12.2020 requested the State to submit cost details for the projects with justification for each project. In response, the State vide letter No 3-14/MW/PMJVK/2019-20/2904 dated 11th December, 2020 has submitted the following in respect of their projects deferred by the 27th EC:-

i. Major construction materials like stone chips, steel bars, cement are being imported either from main land of this Country or from Bangladesh because these are not locally available. Transportation cost of those material either from the main land or imported from Bangladesh are very much high to reach the State.
ii. Labour cost in this State is also very high as compared to the other States of main land & other States of the North East region.
iii. There is no other source of fund to meet the gaps between the sanctioned amount and the lowest accepted amount, if the accepted amount is higher than the sanctioned amount.

The State further submitted that, CPWD under Ministry of Housing & Urban Affairs has issued cost index for various locations of Tripura as on 01.04.2020 over SOR, 2020 in which cost index are 160-164% higher than schedule of rate. If the above cost index is applied for the previously approved amount for both types of Hostels, it comes to Rs.232.00 lakhs for 50 bedded Hostels & Rs. 696.00 lakh for 100 bedded Hostel as on 01.04.2020. However, as the state has submitted cost estimates based on PWD SOR, 2020, the proposed cost estimates are Rs.225 lakh for 50 bedded Hostel & Rs. 348.15 lakh for 100 bedded Hostel respectively, recommended by the State Level Committee.

The proposal of the State is given below:

Rs. in lakhs

Sl. No	Name of the project	No of units	Unit cost proposed
1	Construction of one no 100 bedded Boys Hostel	1	348.15
2	Construction of three 50 bedded Boys Hostels	3	225.70
3	Construction of one 50 bedded Girls Hostel	1	225.70

The Screening Committee discussed the projects with the State Government. The State representative reiterated their claims as mentioned above and requested the SC for recommendation of their estimates.

26/2/2021 — 155 —

The Cost estimate was examined by the Technical Consultant of PMJVK and it was opined that the reference of the State for the Cost index is not justified.

The SC viewed that the Ministry may draw an estimate (on CPWD rates) for the project based on the plinth area & details and share it with the State. If the State agrees to the estimate derived by the Ministry, the same may be submitted before the EC for its consideration. The State was also requested to furnish the following for their hostel projects:-

i. To justify the requirement of hostel for boys & girls. A self-contained note indicating the present facilities available with Schools for accommodating the students and similar facilities available in nearby areas. The State may elaborate the expected outcomes of the project.
ii. Whether the proposed infrastructure is for existing students or it is for new expected enrolments. In case of former, how the students are presently accommodated **and in case of the later, whether the school has existing capacity for the increased enrolment.**

As per in the decision of the SC, cost was derived by the Technical Consultant and the same was shared with the State for their comments.

The State vide their letter dated 15.02.2021 requested for consideration of their original cost. It was submitted by the State that the the Consultant (Technical) of the MoMA has framed the estimate as per CPWD PAR, 2020. After introduction of this rate about 1 & 1/4th year has already lapsted. By this time CPWD might have issued some enhanced cost index over PAR 2020. Further, the estimate of the State are as per State SoR, 2020 and as per CE, Govt. of Tripura, if the cost index allowed by CPWD over PAR 2020 is added to the present estimate framed by the State, the cost of the Hostels will exceed the estimated amount.

The Technical Consultant, PMJVK was however of the view that the CPWD has in the recent past issued cost index over PAR 2020 which shows a decrease in the index.

Considering this, the EC opined that the representative of the State and the Technical Consultant of PMJVK should discuss & resolve the issue for consideration of next EC.

The EC deferred the project.

b. **Alternate locations for projects approved:-** The State vide letter No 3(13)/MW/MsDP/2014/2173-78 dated 06.10.2020 has requested for approval of alternate locations for 4 projects approved during 2015-16 and 2016-17 citing non-availability of clear sites for the earlier approved projects. The details are as under:-

S. No	Approval details	District	Name of Block	Sanctioned project	Alternate Location	Project cost	Amount available with the State Govt.
							(Rs. in lakhs)
1	102nd EC held on 22.09.2015 (2015-16)	North Tripura	Jampui Hill RD Block	Construction of Dining Hall at Moshisher SB School under Sabual ADC Village	Construction of Dining Hall at Vanghmun HS School	18.75	Rs. 18.75
2	121st EC held on 09.12.2016 (2016-17)	Unakoti	Gournagar RD Block	Construction of 3 Nos Additional Class Rooms at Sultanpur Junior Madrassa	Construction of 3 nos Additional Class Rooms at Khowrabill Junior Madrassa	21.00	Rs. 21.00
3	102nd EC held on 22.09.2015 (2015-16)	Sepahijilla	Melaghar (Mohanbhog)RD Block	Construction of School Building at Kalapnia JB School	Construction of School Building at Barapathar JB School	50.00	Rs. 50.00
4	95th EC held on 20.02.2015 (2015-16)	Sepahijilla	Arabindnagar, Gazaria, Cluster under Bishalgarh RD Block	Sinking Deep Tube Well (DTW) including Deep Tube Well pump, Transformer and Pipeline at Tingaria, Bishalgarh	Sinking Deep Tube Well (DTW) at Raghunathpur GP Ward No. 3 Bishalgarh	45.00	Rs. 45.00

It was observed that the proposal of the State does not involve any financial implication. However, the State has not submitted the mandatory approval of the State Level Committee for change of location & declaration of the State in Appendix-II of the guidelines.

The SC opined that the same may be submitted by the State before the proposal is placed for consideration of the Empowered Committee.

The EC discussed the project with the State representative and desired the reasons for change of location for the project. It was informed by the State representative that some of the projects could not be implemented because it involved (a) construction of retention wall and (b) substantial works of earth cutting.

The EC observed that these works were approved during 2015-16 & 2016-17 and delay in their execution may involve cost escalation. The State however submitted that in such case of escalation of construction cost, the State will bear the additional project cost.

Considering the nature of project and the submission of the State, the EC desired the following:-

(a) **The State may submit a declaration for bearing the additional cost in case of cost escalation.**
(b) **The costing to be examined by the Technical Expert in MoMA**
(c) **The State may submit approval of the State Level Committee and confirm fulfillment of all desired pre-requisite for the new locations.**
(d) **The requirement of asset at new locations may be justified.**

The EC deferred the proposal.

F. BIHAR

The State Govt. of Bihar vide their letter No. A.S.K.-07-Kh-M-30/2018-1929 dated 30.09.2020 and letter No. ASK.07-kh-M-31/2018/1146 dated 24.06.2020 has submitted project proposal for the MCAs of Darbhanga & Araria districts of the State under PMJVK. The total value of the project submitted by the State Govt. is Rs. 88.97 crore and Rs.17.588 lakh respectively. The following has been informed by the State:-

a. With respect to projects of Darbhanga district, the State has informed that project proposals have been approved by the State Level Committee in its meeting held on 17.09.2020 under the Chairmanship of Chief Secretary, Govt. of Bihar. The State has also furnished a copy of Minutes of the meeting.
b. As regards the proposal of Araria district, the State has requested for grant of permission for construction of boundary wall of girls hostel in the ITI out of funds available with them, **which are actually savings** from the project constructed under erstwhile MsDP in the 11th plan period. The State has informed that the approval of the SLC will be taken in the forthcoming meeting of SLC.

2. The State Govt vide their letter No. A.S.K.-07-Kh-M- 30/2018/02 dated 01.01.2020 proposed for dropping of sanctioned projects having value of Rs. 342.33 crore. The same was considered and agreed to by the Empowered Committee in its 23rd meeting **held on 04.02.2020** with a direction that the **details/data** in respect of dropped projects may be synchronized with the data maintained by the **Ministry** and if required an officer of the State may visit the Ministry for the same. However, the visit of the State Officer **has not happened so far**. Now, the State vide their letter dated 30.09.2020 has informed that the SLC has approved for exclusion of 07 nos. of projects from the dropping list as land for construction of these projects is now available with the State. Further, the State has also conveyed approval of the SLC for dropping one more project i.e. 50 bedded Hostel (BMC Mirza Khan Talab Parisar, Darbhanga).

After revising the list of the projects proposed for dropping, the **details of the same** are as under:-

a. Value of dropped projects :-Rs.35647.58 lakh
b. Central Share involved :-Rs.24160.11 lakh
c. Amount released by the Ministry :-Rs.13813.29 lakh.

d. Amount available with State in respect of dropped project:- Rs.13813.29 Lakh.

The State representative during the meeting confirmed the above figures.

2. It may be seen that the amount of Rs. 13813.29 lakh as Central Share is available with the State. It has been proposed that the projects submitted by the State vide their letter dated 30.09.2020 **and which are approved by the Empowered Committee, release of 1st installment of central share may be adjusted from Rs. 13813.29 lakhs available with the State**. The description of the projects submitted is as under:-

a. **100 Bedded Boys Hostel**:- A 100 bedded Boys Hostel has been proposed at Camran MANUU (Maulana Azad National Urdu University, **a Central University**) Model School at Chandanpatti of Hayaghat MCA of Darbhanga district at the unit cost of Rs 407.00 lakh.

It has been mentioned by the State in their reference dated 30.09.2020 that the DPR of the project has been approved by the Prime Minister's New State Level - 15 Point Programme Execution Committee.

The project details submitted by the State have been examined by the Technical Consultant. As per Guidelines issued by HRD, the Plinth area for 100 Bedded Hostel is 1082.70 Sqm. The details have been received the Hostel will have Plinth Area at GF = 576.1 Sqm & at FF=559.34 Sqm. Totalling to 1135.55 Sqm. Accordingly the Preliminary Estimate has been prepared on the basis of CPWD PAR 2020 including all service provisions viz. (i) Internal W/S & E/I (ii) Power supply connections, (iii) External Development work @ 4.5% of building cost considering the complex as compact. **The Preliminary Estimated Cost works out to be Rs. 311.44 lakhs.**

It was observed by the SC that the hostels are proposed for the School situated within the premise of MANUU. It was observed that MANUU, being a Central University the project could be submitted through the Ministry of Education for 100% funding under PMJVK. However, the State representative informed the Committee that the project will be implemented on fund sharing basis between Centre and State.

The State Government informed that the School for which the Boys hostel is proposed is having capacity of around 1500 students. The present enrolment of the School is 951 students, and the school is running all the three streams at Sr. Secondary level.

The Joint Secretary cum Director of the State informed the Screening Committee that many students who come from nearby places are staying in private rented accommodation. The proposed hostel is for accommodating all such students **and with hostel facility being made available, the enrolment of the School would also increase since the school already has capacity of 1500 students.**

The Screening Committee while considering the project requested the State to **provide the following information:-**

i. To confirm whether the School where the **Boys** hostel is proposed, is funded by the State or by MANNU.
ii. To justify the requirement of hostel for boys & girls. A self-contained note indicating the present facilities available with the School for accommodating the students and similar facilities available in nearby areas. The State may elaborate the expected outcome of the proposed hostel.

The SC recommended the project.

The State has submitted following in response to the observations of SC:-

a. The school for which hostel is proposed is supported by MANUU, Hyderabad.
b. The School is of class I to Class XII with 2 sections in each class.
c. At present there are total 912 students in the School(500 boys & 412 girls)
d. About 213 students belong to far flung area and 33 students are from other districts also.
e. 170 students are living in rented building and around 100 students are facing difficulties in commuting to School.
f. School is situated around 8 KM from the District hqrs where facilities for rented accommodation is not enough.

The Empowered Committee considered the projects of MANUU for construction of Hostels and the School Building. In response to the observation of JS&FA, the State representative informed the Committee that the institutions will be open for all. The District Development Commissioner, Darbhanga briefed the Committee and informed that the list of students furnished the State also contains the name of the students of primary classes who are staying with parents in rented accomodation. The EC also consulted the representative of Department of Higher Education(DoHE), Ministry of Education, Govt. of India. He informed the Committee that MANUU being a Central University, has been asked for some clarification on the projects by the DoHE and the same has been received. He added that the comments of the DoHE may be furnished to MoMA by 22.02.2021.

The Empowered Committee considering the projects viewed that before taking the projects for approval, the following may be obtained:-

(a) The status of the building for which alternate building has been demanded may be assessed. The certificate from Competent Authority indicating unfit status of the building may be furnished.

(b) The requirement of a new building may be assessed.

The project was deferred by the Empowered Committee.

b. **100 Bedded Girls Hostel:-** A 100 bedded Girls Hostel has been proposed at Camran MANUU Model School at Chandanpatti of Hayaghat MCA of Darbhanga district at the unit cost of Rs 407.00 lakh.

It has been mentioned by the State in their reference dated 30.09.2020 that the DPR of the project has been approved by the Prime Minister's New State Level - 15 Point Programme Execution Committee.

The project details submitted by the State have been examined by the Technical Consultant. As per Guidelines issued by HRD, the Plinth area for 100 Bedded Hostel is 1082.70 Sqm. The details have been received the Hostel will have Plinth Area at GF = 576.1 Sqm & at FF=559.34 Sqm. Totalling to 1135.55 Sqm. Accordingly the Preliminary Estimate has been prepared on the basis of CPWD PAR 2020 including all service provisions viz. (i) Internal W/S & E/I (ii) Power supply connections, (iii) External Development work @ 4.5% of building cost considering the complex as compact. The Preliminary Estimated Cost works out to be Rs. 311.44 lakhs.

It was observed by the SC that the hostels are proposed for the School situated within the premise of MANUU. It was observed that MANUU being a Central University the project proposal may be submitted to the Ministry through the Ministry of Education. However, the State representative informed the Committee that the project will be implemented on fund sharing basis between Centre and State.

The State Government informed that the School for which the Girls hostel is proposed is having capacity of around 1500 students. The present enrolment of the School is 951 students and the school is running all the three streams at Sr. Secondary level.

The Joint Secretary cum Director of the State informed the Committee that the proposed hostel is for accommodating the students staying in rented building.

The Screening Committee while considering the project requested the State for the following:-

i. To confirm whether the School where the hostel is proposed is funded by the State or by MANUU.

ii. To justify the requirement of **two hostels i.e. separate hostels for boys & girls**. A self-contained note indicating the present facilities available with schools for accommodating the students and similar facilities available in nearby areas. The State may elaborate the expected outcomes of the project.

The SC recommended the project.

The State has submitted following in response to the observations of SC:-

a. The school for which hostel is proposed is supported by MANUU, Hyderabad.
b. The School is of class I to Class XII with 2 sections in each class.
c. At present there are total 912 students in the School(500 boys & 412 girls)
d. About 213 students belong to far flung area and 33 students are from other districts also.
e. 170 students are living in rented building and around 100 students are facing difficulties in commuting to School.
f. School is situated around 8 KM from the District hqrs where facilities for rented accommodation is not enough.

The EC deferred the project with observations as detailed in (a) above.

c. **Model School Building:-** The State Government has proposed for construction of Camran MANUU Model School at Chandanpatti of Hayaghat MCA of Darbhanga district at unit cost of Rs. 3014.00 lakh.

The structure will be constructed in a block which will be a G +3 structure with total plinth Area of 5705.20 SQM. The structure will also consist of 2.4 Mtrs wide Corridor.

The proposed structure will be a G+3 building with total area of 5705.20 SQM.

The Ground floor structure will be of 1658.51 SQM area consisting 4 ACR (7.00 x 7.00 mtrs), 1 Library, 1 Chemistry Lab, 1 Activity Room, 1 Office, 1 Principal's Room, 1 Medical Room, 1, Exam Room, 1 Electrical Substation Cum Pump Room, 1 Store Cum Prep Teachers Room, Assembly area, Canteen, Toilets for Boys and Girls, Toilet for disabled male and female and 2.4 mtr wide corridor.

The First floor structure will be of 1510.96 SQM area consisting of 4 ACRs (7.00 x 7.00 mtrs, 1 Physics lab, 1 Art room, 1 Staff room, 1 Workshop, 1 Future Expansion Classroom, Store cum prep teacher's room, Drinking water, Toilets for Boys and Girls, **Toilets for children with special needs (Boys & Girls)** and a 2.4 mtr wide corridor.

The Second floor structure will be of 1266.33 SQM area consisting 4 ACR (7.00 x 7.00 mtrs, 1 Computer Lab, 1 Biology lab, 1 Maths lab, 1 General store, NCC/Scout room, Future expansion class room, Pet room, Store cum prep Teacher's room, Social Science/ Geo Resource (Secondary), 1 Drinking water, Toilets for Boys and Girls, **Toilets for children with special needs (Boys & Girls)** and a 2.4 mtr wide corridor.

The Third floor structure will be of 1267.40 SQM area consisting 10 ACR (7.00 x 7.00 mtrs, Computer room, Store room, 1 Drinking water, Toilets for Boys and Girls, **Toilets for children with special needs (Boys & Girls)** and a 2.4 mtr wide corridor.

The project details were examined by Technical Expert of the PMJVK Division and it has been observed that The **PE** has been prepared by CPWD. CPWD has prepared the PE on the basis of Kendarya Vidyalaya (A type) to cover the plinth area of 5705.20 Sqm. The PE covers RCC framed Structure (G+3) with all relevant development components & Electrical components for probable cost of Rs.3014.00 lakhs. The admissible plinth area for A Type KVS with two sections for each class is 4200 Sqm. Only as per Guidelines for Planning & Construction of School Building (Revised in Feb. 2013) issued by Kendriya Vidyalaya Sangathan (Hqrs). **Therefore, the Preliminary Estimated cost works on pro rata basis works out to be Rs.2219.00 lakhs**. HRD has submitted the observations; (i) The plinth area for one class room school is 3000 Sqm. ;(ii) No development provisions to be considered. These are provisions under **Samagra Shiksha norms.** Further, the proposal is for **02 Class Rooms Type (Type-A) and the admissible Plinth Area is 4200 Sqm. Accordingly the Preliminary Estimate is processed.**

The State was requested to convey their willingness to the revised cost worked out by the Technical Expert of PMJVK.

Further, the SC observed that the School is situated within the premise of MANUU. It was observed that MANUU being a Central University may submit the project to the Ministry through Ministry of Education. However, the State representative informed the Committee that the project will be implemented on fund sharing basis between Centre and State.

The State Government confirmed that the infrastructure proposed is for Government owned School having capacity of around 1500 students. The present enrolment of the School is 951 and the school is running all the three streams at Sr. Secondary level.

It was informed by the District representative of Darbhanga that the present School is running in an old building. The present structure is a G+1 building donated by locals. The location of the school is around 8 KM from the district headquarters and it is located within the MANUU campus.

The Screening Committee while considering the project requested the State for following:-

1. To furnish latest photographs of existing building of the School.
2. Names of 30 girls students & 30 boys students who are said to be staying in private rented accommodation may be sent to MoMA.
3. The State may confirm as to whether the recurring expenditure on the Model School is being incurred by MANUU.
4. To justify the requirement of new school building. A self-contained note indicating the present facilities available with the School and expected outcome of the project may be sent.
5. To confirm whether the project cost derived by the Technical Expert of PMJVK is acceptable to the State.

The SC recommended the project.

The State has submitted following in response to the observations of SC:-

a. The State has furnished photographs of the existing building
b. The State has furnished list of the students as desired by SC.
c. The School is of class I to Class XII with 2 sections in each class.
d. At present there are total 912 students in the School(500 boys & 412 girls)
e. About 213 students belong to far flung area and 33 students are from other districts also.
f. The school building is 35 years old. The construction was without pillar and presently the building is in dilapidated condition.
g. The roof is in bad condition and leakage takes place in rainy season.
h. The School has 27 room but the same are not in good condition.

The EC deferred the project with observations as detailed in (a) above.

d. **Polytechnic:-** The State Government has proposed for construction of a building for Polytechnic at Maulana Azad National Urdu University(MANUU) Satellite Campus, in Hayaghat MCA of Darbhanga district at the unit cost of Rs. 4662.16 lakh.

It has been observed that the Vice Chancellor MANUU (a Central University) has requested for allocation of funds to the Govt. of Bihar for construction of a Polytechnic building. It has been seen in the reference of MANUU to Govt. of Bihar that the right over the site and the building to be constructed by Minority Welfare Department of Bihar shall remain with MANUU.

The building proposed will be a Stilt+4 Floor structure with total Plinth Area of 9000 SQM. The estimate is as per CPWD norms and based on PAR 2019 with approved cost index of 121% as on 01.04.2019. The project will be completed in

18 months which includes 3 months for pre-construction activities and 15 months for construction activities.

The estimate has been examined by the Technical Expert of the PMJVK and it has been observed that the PE has been prepared by CPWD on the basis of approved conceptual drawings approved by the Principal , MANUU Polytechnic Darbhanga vide No. MANUU/CD/F138-4/2019-20/174 dated 06.11.2019. The same has been recommended by the Registrar (i/c), Maulana Azad National Urdu University, Hyderabad to the State Govt. And same has been submitted by State Govt. vide reference cited above. The PE is to cover 9000 Sqm. of Plinth area and all relevant development works i/c Electrical misc. works for probable cost of Rs.4662.16 Lakhs. The PE is in order for Rs.4662.16 lakhs.

However, the Ministry based on the norms of "Sum-Mission on Polytechnic under Coordinate Action for Skill Development" of MoE issued a letter to the States/UTs indicating the details regarding Civil Work as per AICTE norms vide letter no. 3/31/2012-PP9Pt) dated 16.07.2014. Based on these details, the admissible plinth area for State Polytechnic has been worked out as 7755 Sqm.{ (Admn. (1315 Sqm.) + Academic (5420Sqm.) + Amenities (1020Sqm.)}. Considering these, the Preliminary Estimated cost works on pro rata basis may be revised to Rs.4017.23 lakhs.

Further, the SC observed that the proposed Polytechnic is within the premise of MANUU. It was observed that MANUU being a Central University may submit the proposal to the Ministry through Ministry of Education. However, the State representative informed the Committee that the project will be implemented on fund sharing basis between Centre and the State.

The Screening Committee desired the following:-

1. To confirm whether the proposed structure is for a new Polytechnic. In case of existing polytechnic, a brief on the present facility **including the courses being run and the enrolment of boys & girls students may be forwarded.**
2. **MANUU may confirm as to who will bear the recurring expenditure of the Polytechnic.**
3. To confirm whether the revised project cost derived by the Technical Expert of PMJVK is acceptable to the State.

The SC recommended the project.

The State has submitted following in response to the observations of SC:-

a. The building in which Polytechnic is running is more than 25 years old and in dilapidated condition. The building is not as per AICTE norms and cannot be extended vertically or horizontally. The space at present building has not enough to accommodate the intake of present strength of students.

b. MANUU Polytechnic Darbhanga is running three course i.e. Diploma in Civil, Electronic and Communication and Computer Science engineering, each year of each brach has 75 students intake. So the total present intake of MANNU Polytechnic has 675 students. Further, MANUU Polytechnic Darbhanga has proposed for two new course i.e. Diploma in Mechnical and Electrical Engineering. After consideration of proposal to start new course the intake of MANUU Polytechnic will reach upto 1125 students, and it will almost be impossible for present building to accommodate all the students.MANUU Polytechnic, Darbhanga has 6 labs, 4 class rooms and a library with limited space. None of classrooms, labs and library has sufficient space or infrastructure to accommodate above students.MANNU Polytechnic, has well qualified and experience 14 faculty members with holding M.Tech and PhD degrees. It has 06 instructors, lab assistant and lab attended for all labs. The polytechnic also has strong official assistant backup with 08 secretarial and clerical staff and assistantMANUU Polytechnic has already submitted the layout, plinth area and Preliminary Estimate for construction of Polytechnic Building amount to Rs.46.62 crore and also conceptual drawing prepared strictly according to norms & specification laid down by the AICTE. The estimate has been approved by CPWD.

c. AICTE vide its letter No. AICTE/AB/NRO/VIP/Reference/2017-18 dated 16.01.2018 clarified to MANUU that "University do not require prior AICTE approval but they have obligation to confirm the standard & norms laid down by the AICTE.

d. The expenses for routine repair/maintenance of the infrastructure and payment of salary to the Staff/teacher will be borne by the MANUU.

Further, the project was also shared with Ministry of Skill Development & Entrepreneurship. The MoSD&E vide their OM NO. Cord-11012/7/2017-O/oPB dated 28.01.2021 has conveyed their concurrence.

The EC deferred the project with observations as detailed in (a) above.

e. **Boys Hostel at Law College:-** The State Government has proposed for construction of a 100 bedded Boys Hostel for CM Law College, Harahi Pokhar at Darbhanga MCT at the unit cost of Rs. 407 lakh.It has been mentioned by the

26/7/2021

State in their reference dated 30.09.2020 that the DPR of the project has been approved by the Prime Minister's New State Level -15 Point Programme Execution Committee.

The project details submitted by the State have been examined by the Technical Consultant. It has been observed that the Hostel will have Plinth Area at GF = 576.1 Sqm & at FF=559.34 Sqm. Totalling to 1135.55 Sqm. Accordingly the Preliminary Estimate has been prepared on the basis of CPWD PAR 2020 including all service provisions viz. (i) Internal W/S & E/I (ii) Power supply connections, (iii) External Development work @ 4.5% of building cost considering the complex as compact. The Preliminary Estimated Cost works out to be Rs. 311.44 lakhs.

The State representative informed the Committee that the hostel is required for Government owned Law College. The Screening Committee desired the following:-

1. A self-contained note indicating the present facilities available with Law College for accommodating students and similar facilities available in nearby areas. The State may elaborate the expected outcomes of the project.
2. Whether the proposed infrastructure is for existing students or it is for new expected enrolments. In case of former, how the students are presently **being** accommodated.

The SC recommended the project.

The State has submitted following in response to the observations of SC:-

a. The Law College has annual intake of around 80 students and the total intake of the college is 240.
b. The college does not have any hostel facility.
c. The college has adequate land for the proposed structure.
d. The hostel will cater the requirement of students coming from far flung areas.
e. More than 60% students are living in rented accommodation/lodges.

Considering the submission of the State, the EC agreed to the project at the unit cost of Rs.311.44 lakh.

4. The Empowered Committee approved the projects listed below and recommended for adjustment of the Central Share against the Central Share

available with the State(i.e. Rs.13813.29 Lakh) in respect of dropped projects detailed above(proposal of State vide their letter no. A.S.K.-07-Kh-M- 30/2018/02 dated 01.01.2020 considered by the Empowered Committee in its 23rd meeting held on 04.02.2020 may be referred). This however would be subject to the concurrence of Department of Expenditure in the matter.

S. No.	District	MCA	Project Type	Name of Project	Sharing ratio	units	Unit cost	Central Share	State Share
									In Rs. lakh
1	Darbhanga	Darbhanga	Hostel-Girls	100 Bedded Boys Hostel in C. M law College Harari Pokhar Darbhanga	60:40	1	311.44	186.87	124.57

G. NAVODAYA VIDYALAY SAMITI

The 28th Empowered Committee on 27.08.2020 approved a proposal of NVS for installation of 1173 Smart Classrooms in 99 Jawahar Navodaya Vidyalayas located in Minority Concentrated Areas for an estimated cost of Rs. 3579.20 lakh. As per the approval of Empowered Committee, 30% of the project cost (i.e. Rs.1073.30 lakhs) has been released to NVS as 1st instalment vide sanction dated 31.08.2020. The breakup of cost approved by the EC is as follows:-

S.No	Item	Cost per unit (figures in actual)	Unit required	Amount (Rs. in lakhs)
1	Interactive Board	2,50,000	1173	2932.50
2	Computer System	49,333	1173	578.68
3	UPS	5,800	1173	68.03
	Total	**3,05,133**	**1173**	**3579.2**

2. The NVS vide letter No 2-37/2018-NVS(GA)/332 dated 29.12.2020 has now submitted a request for sanction of additional funds of Rs. 208.10 lakh on the basis of their agreement executed with supplier of the equipment i.e TCIL. The revised total cost has been projected at Rs. 3785.74 lakh as against 3579.20 lakh sanctioned by the EC earlier. It was earlier submitted by NVS vide their letter dated 06.03.2020 that the cost of the items were based on the cost listed on GEM portal. NVS has now informed that the cost for the project has been revised to Rs. 3785.74 lakh due to various reasons including inflation, addition of some of the mandatory items like Projector Short Throw, Portable Visualizer, White Board, Green Board, Speaker, Mic, Camera, etc. Further, it has been informed that the cost of Smart/Digital Classroom Solution is Rs.2.73 lakh and after applying taxes(GST@18), the total cost of project for 1173 units comes to Rs.3785.74 lakh as detailed below:-

S. N	Item description	Unit rate	Quantity	Cost
1	Smart Digital Classroom solution	2,73,509	1173	32,08,26,057
2	GST(18%)			5,77,48,690

	Grand Total			37,85,74,747

3. As per the para 13.1 of guidelines on PMJVK, any proposal relating to escalation in cost of sanctioned projects, for any reason whatsoever would not be considered under PMJVK. The State Government/UT Admn would make up for the shortfall, in all such cases. However, NVS being a Central Organization, 100% funds for the sanctioned projects are being provided under PMJVK scheme by the Ministry.

4. The project implementation was discussed by the SC with the representatives of NVS. It was informed to the Committee that except 04 Schools, the project has been implemented in all other schools.

5. The cost issue was also discussed and the Chair opined that the NVS may clarify the position regarding the various factors involved in the project implementation & cost change. It was also opined that the NVS may also submit detailed reasons for non-implementation of projects through GEM.

6. In pursuance of the direction of SC, the NVS vide their letter dated 29.01.2021 submitted the following:-

A. **Reasons for awarding the project to TCIL instead of going through GeM:-**

1. In case of GEM different vendors may get different components and no one will be held responsible for making the solution operational.
2. To minimise the post installation complexities in training, maintenance and service, single vendor is preferred.
3. Based on the past experience in implementation similar project, various PSU's were requested to send quotations and among the PSU's, TCIL was awarded the project on minimum service charge, past experience, competitive pricing and integrated smart class solution.

B. **Justification for additional funds:-**

The integrated model finalised is costing less than the original proposed cost. However, the increase in the cost is due to 18% GST per class Rooms.

7. Based on above, the NVS has requested for revision of the project cost from Rs. 3577.65 lakh to Rs.3785.74 lakh **including 18% GST of Rs. 577.48 lakh. The consequent** additional cost is Rs.208.09 lakh.

8. The Screening Committee has recommended the proposal for additional cost of Rs. 208.09 lakh.

9. The proposal of NVS was considered by the EC in consultation with the Deputy Commissioner, NVS. It was observed by the EC that there is a difference in the equipment approved by the EC earlier and the equipment proposed for purchase by the NVS. The NVS was asked to furnish the detailed work order given to TCIL along with details of the components.

-169

The work order has been received from NVS. It is observed that TCIL is supplying comprehensive smart classroom solution which includes the following items:-

- Interactive Device
- PC
- UPS
- Short Throw Projector
- Projector Wall Mount Kit
- Portable Visualizer
- White Board
- Green Board
- Speakers
- Metal Cabinet
- Wireless Mic
- Camera
- Multipoint Bridge License

The equipments are with extended warranty of three years, comprehensive support during warranty period and one classroom in each school will be converted into Virtual Classroom at no additional cost by TCIL. There is increase of cost of one classroom from 3,05,133 to Rs. 3,22,704.62 which includes the GST @ 18 %.

Considering the above, the EC approved additional amount of Rs. 2,08,09,747 to NVS for meeting the cost escalation.

The meeting concluded with vote of thanks to the Chair.

OFFICE MEMORANDUM

Subject: Forwarding of clarification on water supply at Taib village under Ziro-II Block thereof-reg...

The undersigned is directed to refer to e-mail dated 03.11.2020 from Under Secretary (PMJVK), M/o Minority Affairs forwarding clarifications on the observations of DDWS on Water Supply at Taib village under Ziro-II block of Arunachal Pradesh.

2. In this respect, it is stated that DDWS supports this project proposal, subject to fulfillment of following conditions:

i. PHED, Arunachal Pradesh to ensure that the scheme is implemented as per operational guidelines of Jal Jeevan Mission and to take steps to provide Functional Household Tap Connections (FHTCs) to rural households. Currently, the scheme does not have this provision. In case the executing agency cannot provide FHTCs, they need to get a certificate from PHED, Arunachal Pradesh that they would provide in-village infrastructure and last mile connectivity for providing tap water connections;
ii. PHED, Arunachal Pradesh to countersign the designs prepared by WRD of the State;
iii. PHED, Arunachal Pradesh to confirm that infrastructure proposed to be created for these villages are currently not part of the sanctioned schemes of State Level Scheme Sanctioning Committee (SLSSC) i.e. non-duplicacy certificate;
iv. PHED, Arunachal Pradesh to carry out the preparation of Village Action Plans (VAPs) with the help of community and get it approved from the Gram Sabha for in-village infrastructure; and
v. PHED, Arunachal Pradesh would include these households as covered with FHTCs in DDWS-IMIS.

3. In view of this, M/o Minority Affairs is requested to ensure that above conditions are satisfied by implementing agency before the release of funds.
